Joint
Co-Operation

STRATEGOS & MIPET Stakeholders & Students are invited to our Blended Meeting for common Season's Greetings, safely organized respect covid-19 and to our *Millenary Traditions*.

As STRATEGOS Scientists and MIPET Engineers, we are fighting against sars-cov-2 virus and covid-19 crisis since February 2020 and we are ready to continue up to the success, but we don't forget our *Hearts*.

We use Science and Technology to face this challenge as well as to help our *Friends* and *Neighbors*.

We are conscious about the risks, about the on-going pain and tragedies, but we don't fear covid-19.

We don't have time to be scared: we have to work hard to protect People, Places, Companies & Society.

So, we prepare, organize & act to be *Safe, Healthy* and as much *Happy* as possible in these days.

We are using Cutting-edge Technologies to advance *Mankind* in full respect of the *Values* of *Dignity, Freedom, Equality, Brotherhood* and *Friendship*, so present during this *Holyday Period*

Per Aspera ad Astra... at the end, we will prevail and we will hug each other once again
