

MiCROTEC

Innovating Wood

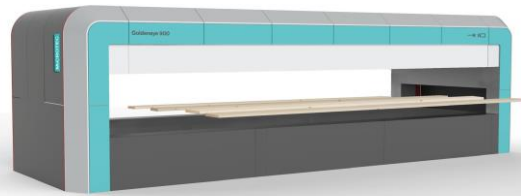

Global Network of Innovation

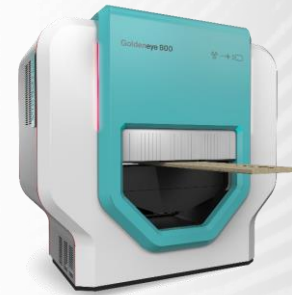

Milestones of Innovation

2013
Goldeneye 300/500/700
 Wood components
 and board scanner

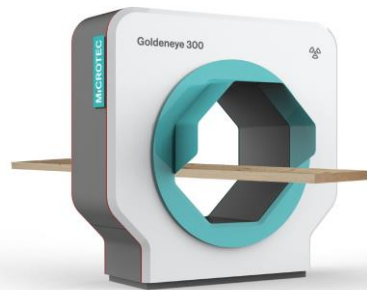

2015
Logeye
 Full log grading 3D,
 Color & x-ray

2012

CT Log
 Computed tomography
 log scanner

2014

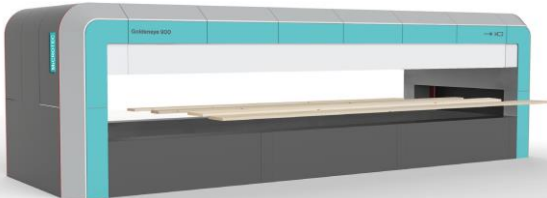

Goldeneye 900
 Transverse grader for rip,
 Trim & sorting solutions

2017

Goldeneye 800
 High speed planer
 mill lumber scanner

Milestones of Innovation

2019

Goldeneye 900
New Generation
with Artificial Intelligence

2020

Mill Manager
Optimization suite for overall mill
processes and operations

2021

Goldeneye 300/500/600/700
New Generation for softwood
with Artificial Intelligence

2021

Woodeye 300/500/600/Parquet
New Generation for hardwood
with Artificial Intelligence

Company's fields of application

We believe in technology, sustainability and resource maximization getting the best out of everything and everyone

MICROTEC

- Log scanning and processing solutions
- Lumber scanning and processing solutions
- Moisture, Warp, Density, Strength and pith position grading

BIOMETIC

- Fruit scanning and processing solutions
- Food scanning and processing solutions
