

1 Year 1 Day Checklist for Companies invited to participate the Meeting

1 Year 1 Day offers a valid opportunity to Companies, Enterprises and Industries to meet with young Engineers and Scientists of Genoa University and to carry out Campus Interviews, offering placement opportunities.

At the same time, 1 Year 1 Day allows young and highly qualified engineers to complete the Interviews of 1 Entire Year within a Single Day

10.00-12.00 November 30, Genoa University, Video Streams and Webinars

13.00-17.45, November 30, Genoa University, Campus Interviews by Web

1 Year 1 Day Virtual Areas

1 Year 1 Day will be active just on web using different channels:

A) Webinar Speakers' Corner: Each companies will have up to 5 minutes (MIPET Sponsors and STRATEGOS Patrons will have 10 minutes) strictly planned to present at our Students your Entity, your Interests, your expectations based on video streaming using and your proposals for our young Engineers on a web channel. Speech could be in English or Italian based on your preference/needs

B) Virtual Hall: The collected virtual material (e.g. video and ppt), provided by your Entity, will be accessible to Students on smartphones, tables, laptop and web, in an easy, intuitive and direct way through *Smart 1Y1D* (www.simulationteam.com/1year1day). In this ways they will able to understand your structure and expectations in order to maximize achievements based on real mutual interests; please be sure to provide us the links to your material.

C) No Physical Location: To mitigate the risk during the epidemic crisis, NO OPERATIONS will be Carried out on our Locations. All previous information and older info available on the web should be considered DEPRECATED. Please refer to this document.

D) Campus Interviews: The Students will register on 1 Year 1 Day and will be directed towards your link to carry out a web or phone interview; by the way, their Curricula Vitae will distributed to you on November 26
