Course detail & construction drafting (Phase2)

Making scale model of all my university projects

Performing modeling in AutoCAD and Revit software (For 4 projects)

Tutoring: Mathematics, physics, Arabic, English

Software camp (2022)

Projects

For my Bachelor graduation thesis, I got acquainted with various aspects of architecture, aiming to simultaneously ensure security, aesthetics, and comfort. I also employed Revit and AutoCAD software professionally.

Other Experiences

Participating in a volunteer group during the summer of 2012 and 2015, dedicated to providing assistance to those in need, and also gaining valuable teaching experience with children in rural areas.

Free-hand drawing

Technical Skills

- **AutoCAD**
- **Revit**
- **Enscape**
- **Lumion**
- **Adobe Photoshop (basic)**
- **Communication of knowledge to others**
- **Management and team working**

ICT Skills

I have skills in using the Microsoft Office suite with advanced skills in using word and PowerPoint.

I have a basic knowledge of programming languages namely C++, PYTHON

Languages

Persian (Native Language)

English

Arabic basic level

Other(s)

Volunteer for help people

Experiences

Safe Driving

I love Painting (oil color, water color, colored pencil) and I am pretty skilled. I enjoy reading books especially poems and historical books and I love to be an author. I am talented in Group leading. I usually go swimming, cycling and sometimes play football. I love baking cakes and watching movies. I love biology and medical science.

I hereby authorize STRATEGOS, Genoa University and Simulation Team to share my CV for Professional and Scientific Reasons with Companies & Institutions
