**LICT [ 01/2017 – 06/2018] Web Development**

## Projects

### Animal Care Zone (Web Based Application)

PHP, Database, HTML, CSS, Bootstrap, Java Script Online Resource -<https://youtu.be/3udWEjq7RRw>

The Animal Information Zone project is an implementation of pet's health information. This project also covers various features like registration of the users, modifying the details of the application by the management staff or administrator, by adding, deleting, or modifying the customer details, animal's information.

## Other Experiences

Farming business.

## Technical Skills

- Network Technology
- Monitoring Networking Performance
- Client Support
- Server Maintain

## ICT Skills

I have skills in using the Office suite with advanced skills. In using Excel. Router , Switches , backup data network security , OS and software supports , python.

## Languages

Bengali (Native Language)

English (B2 Language)

Italian basic level

## Other(s)

Volunteer for the local Church activities more than 7 years  
Blood donation

## Experiences

**I read books. Stay Connect with others and have good communication skills. Have a huge number of traveling experiences.**
