Education & Special Certificates

Sep 2023 – Current, University of Genoa, International Master Science in Engineering Technology for Strategy and Security (Laurea Magistrale), STRATEGOS, Genoa, Italy

Sep 2018, University of Genoa, I'm graduating in Computer Engineering, Florence, Italy

2013 – 2018, HighSchool, HighSchool (Istituto Primo Levi), Borgofornari, Italy

Professional Experiences

I worked for school-work alternation in a company called Engineering, Genoa, 2016 – 2017

During the experience I learned the basics of creating websites and applications for Android mobile devices

Leonardo informatica, Busalla, 2016 – 2017

I worked for a month in the company where I was able to learn how to assemble hardware components of a PC and how to solve some Windows software problems using DOS commands

I developed a site for a gym named Leofunlab. 2021 - 2022

Projects

I work on personal projects to improve my programming skills.

For my degree thesis I am developing an application written with the programming language called React Native. The idea of the project is to create a cryptocurrency exchange where real transactions can be made on a blockchain created specifically for testing. Plus add the possibility of having an artificial intelligence assistant thanks to the ChatGPT API

Other Experiences

2021 - 2022 I attended the ToastMaster public speaking course

Systems Engineering Summer School, Imperia, Italy, 2021 and Sep 2022

Technical Skills

- **ECDL certificate**
- **MatLab and Simulink certificate**
- **AutoCad certificate**

- **Team Working in homogeneous and not homogeneous teams**

ICT Skills **I have skills in using the Office suite. I have a basic knowledge of programming languages such as C++, Java, Python, MySQL, Kotlin and web languages.**

Languages **Italian (Native Language)**
English (Basic Level)

Experiences **Driver's license B**
I'm a sporty guy, I go to the gym regularly and I like doing outdoor activities. I love travelling, I try to book a trip as soon as I can. I love riding a motorbike and being with friends

I hereby authorize STRATEGOS, Genoa University and Simulation Team to share my CV for Professional and Scientific Reasons with Companies & Institutions
