

STRATEGOS...

*quae generosius perire quaerens nec
muliebriter expavit ensem nec latentis classe

tractare serpentes, ut atrum corpore
conbiberet venenum, deliberata
morte ferocior*

Horace, Carmina 1.37

*... does not fear neither the sword nor runs away, but observes the ruin with an
impassive face, brave enough to know how to handle poisonous snakes*

Mohāndās Karamchand Gandhi, India, Pakistan, Russia & Egypt 1940 B.D.
