

# International PhD Program on Strategic Engineering

## *Cooperation Agreement for the International PhD on Strategic Engineering*

**Cooperation Agreement on the International PhD Program on Strategic Engineering  
between  
XXXXXXX & Università degli Studi di Genova**

This Cooperation Agreement is related to the *International PhD Program on Strategic Engineering* and it is established between

**Università degli Studi di Genova (“UNIGE”),  
with its registered office in Via Balbi, 5 - 16126 Genova.**

*and*

**With its registered office in XxXXXXXXXXX**

Each Member of this Cooperation Agreement is herein after referred to in the singular as “Party” and collectively as “Parties”.

WHEREAS

In consideration of the collaboration initiatives on *Strategic Engineering* and related subjects and having considered:

- a. The advantage for candidates and institutions of joining forces in the creation, dissemination, and application of knowledge in these fields;
- b. The usefulness of sharing experience and research strengths as Institutions;
- c. The opportunity of mutually enhancing the capacity and quality of research and research training;
- d. The fact that Strategic Engineering is a new discipline with a great potential in developing Strategies and Decision making into a large number of fields and require to develop advanced research initiative;
- e. The fact that Strategic Engineering is strongly connected with very innovative sectors such as Modeling and Simulation, AI, Data Analytics, and Intelligence and requires to develop research cross relating these areas and in very trans-disciplinary way among many sectors such as Industry, Business, Geo Politics, Economics, Defense, etc.

the Parties, by signing this Cooperation Agreement for the International PhD Program in Strategic Engineering, wish to record their collaboration (“Project”) and to active related activities as stated in the “Regulations of the International PhD Program of 2021.04.23” and in consistency with “Description of the International PhD Program on Strategic Engineering of 2021.04.23”.
